Foreword

To all of us, each season brings its own pleasant memories—that first football game, a special valentine, or, finally, graduation.

As the years file by, it is only natural, and most fortunate, that we should gradually forget the unpleasant happenings, and treasure only those that we found congenial and endearing. That is the purpose of this book—to help us, by means of words and pictures, to hold in memory those experiences we shared during the last autumn, winter, and spring that the class of nineteen forty-seven were privileged to spend together.

It is too much to hope that all of us shall ever be together again; but we can console ourselves with the knowledge that in the following pages we are united in a way which the years cannot alter.

Dedication

In his twenty-four years of service at Marple Newtown, Mr. Worrall has displayed tireless efforts to make possible a system of practical educational facilities. Whenever presented with a problem, you can always be sure of a conclusion that results from careful consideration.

We, as a class, feel that it has indeed been an honor to go through this "house of education." Under his able administration, we have acquired much knowledge and a desire to do things in a democratic way.

In grateful recognition of his assistance in guiding us through our years of high school, we, the Class of '47, dedicate this year book to our principal, Mr. Jay W. Worrall.

The Principal's Message

To the Class of 1947:

The year may very well be likened to a wheel, revolving ceaselessly along the road of time. As each season appears it receives the approval of many individuals and from other individuals come expressions of an entirely different tenor. Winter to a portion of humanity is just a time to shiver and complain about the cold. Others see the fact that winter is a time of year that tones up the body and brings a vigorous, healthy counter-action to the enervating influence of the hot summer. Some persons will see in autumn nothing but the symbol of death toward which the dying year is hurrying. Others view the beauty of the brightly colored foliage and feel that now is the best part of the year.

The remarkable fact about all of this is that the identical season can be both good and bad at the same time, depending upon the point of view of the spectator. How much happier is the lot of the person who chooses to see the better side! If we search diligently enough, nearly everything has its brighter side. Let us learn to look for it and our lives will be filled with a host of happy and satisfying experiences.

Your friend,

Jay W. Worrall.

School Board

Most of us lend our thoughts towards the school board when we are handed our graduation diplomas, but how many of us recognize the work done by its fine members?

For several years, the school board, composed of capable members, has been a friend to our student body. Its well-organized educational plans have made our school one of which we can well be proud.

Clubs

Mr. Olson and Mr. Brown's ninth grade Dancing Club has turned out some super-dooper dancers.

Amidst piles of books, Miss Manlove has successfully directed the Library Club.

In her enthusiastic Art Club, Mrs. Graham has produced many Rembrandts and DeVincis.

Did Mr. Oselinski teach his members of the Bridge Club how to stack the cards, or did they know that before?

The most active club in the school, the Tri-Hi-Y, is directed by Miss Yeingst and Miss D'Amelio.

Mr. Sanders and his Shop Club are going to put M. N. on the map.

The Science Club, under the direction of Mr. Baldelli, is going to put M. N. on the map or take it completely off.

Mrs. Kurtz is improving the Junior High voices in her Glee Club.

The boys in the Gym Club are glad they are playing games and not doing calisthenics.

Mr. Richute is also trying to turn squares into good dancers.

Mrs. Clark is passing her knitting ability on to any girl that is interested.

All the apple polishers are in Mr. Harvey's Ping Pong Club.

Seventh Grade

When we first came to Marple Newtown in the fall, things were much different from our former schooldays.

We all like the change and have been very busy. Most of our students are taking part in school activities; namely, the orchestra, basketball, and football.

Our biggest accomplishment was our giving six tons of paper to the paper drive for which we won $25.

Our seventh year of school has been completed, and we feel very successful. We are now ready to tackle eighth grade with plenty of vigor and the hope that it will be as successful as this one has been.

Eighth Grade

This year we welcomed Joan Snyder, Joe Muirhead, Bob Comer, and George Stone into our class. George later moved away.

In the essay contest Joan Snyder took first place while Paul Thompson had to be content with second place.

James Ardinger is our representative in Student Council.

Peggy Schwalm and Nancy Kay had their pictures in the Sunday Inquirer for participation in plastic work.

Some members of our class play in the orchestra, and many of our girls sang in the "Christmas Candle Light Service."

Both boys and girls enjoyed intramural games in many sports during the year.

Freshmen

This year, as Freshmen, we have had larger opportunities to work for M. N. than before.

Several of our members have played on the Junior Varsity and Junior High teams of the school. Many others competed in the intramural program and made a good showing for our class.

Not only in sports did the Freshmen shine. The orchestra was made up largely of students from the Class of '50. In the first paper drive we showed what we could do, winning by a wide margin.

This year when the Senior Dancing Club was too crowded, we went into a huddle and came out with our own club that took care of the overflow.

Altogether we had a good year, but next year as Sophomores we hope to continue our activities on even a larger scale.

Student Council

The Student Council's full schedule was well carried out because of the dependability and willingness of the members. The coaches in season attended the meetings, and the advisers were Mr. Harvey and Mr. Worrall. The Council sponsored two drives—the annual A.A. funds drive and a paper drive.

A new subdivision, under the supervision of Mrs. Esther Cook, girls' athletic coach, has been formed for the purpose of better organization and greater recognition of girls' sports.

The Student Council members are President, Ralph Moyer; Secretary, Janice Ramsay; Treasurer, Nina Butler; Stella Blosenski, John Lutz, Gloria Harvey, James Clark, James Ardinger, Shirley Seely, Mrs. Esther Cook, Mr. Pittman, Mr. Worrall, and Mr. Harvey.

Left to Right: R. Moyer, H. Lees, S. Blosenski, H. Gorman, J. Ramsey. *Seated:* V. Baskin, L. Worrell, R. Gartner, J. Shaw.

Our Monitors

The monitors again did a swell job of keeping order in the halls throughout the school. Our system was changed a little this year; instead of changing the monitors every two weeks, the monitors, appointed by the Student Council, served the full school year. The job is not an easy one, but it is looked upon by those who serve as an honor to be chosen to the post. Most of the students have been cooperative once they learned what was expected of them.

Left to Right: Seated: R. Gettz, R. Steer, L. MacLaren, B. Noll, L. Mason, Miss Laird, J. Steer, B. Ketchledge, L. Robinson, S. Blosenski, M. Martino, L. Welsand. *Standing:* J. Hottenstein, J. Flood, T. Muehlmatt, G. Harvey, G. Shaver, A. Mahon, L. Ivins, J. Steer, D. Mangold, J. Ramsay, P. Thompson.

Mar-News Staff

The Mar-News this year was under the leadership of a new adviser, Miss Laird. It was her first experience in this work, and she certainly did a good job.

The Mar-News was not organized as a club this year. The membership was wholly voluntary on the part of the student.

Lynn Mason, our Editor, did a fine job, after lots of hard work.

You have probably all noticed that the Katty Korner section was back in our paper again this year. Our serial stories also proved interesting to our readers.

We earnestly believe our paper has contributed largely to our school life and hope it will be even more of a success in future years.

Left to Right: B. Fox, J. Keime, J. Livingston, P. Kafigian, B. Loomis, J. Reed, B. Helms.

Cheerleaders

Our two new recruits to the squad this year, Janet and Joyce, joined in with that regular 'ole M. N. spirit.

With their aid, that of our sensational mascot, Patty, some wonderful teams to cheer for, and a "super" cheering section behind us, we pulled through with no trouble at all.

Left to Right: First Row: A. Miller, C. Jesnig, H. Snyder, L. Holloway, C. Hagen, R. Shupard, J. MacLaren, B. Snelling, T. Lamb. *Second Row:* J. Thomas, L. Snelling, H. Rambo, B. Peters, R. Feldkircher, B. MacNeil, H. Taylor, C. Fletcher, J. Guildford. *Top Row:* F. Goodman, mgr., Richute and Harvey, Coaches, L. Kirk, mgr.

Senior High Football Team

The high school eleven enjoyed a fair season in football. Mr. Richute and Mr. Harvey gave their service as coaches, and they both did a good job. The team won over West Pottsgrove, Upper Chichester, and Springfield, lost to Nether Providence, Sharon Hill, Yeadon, Spring City, and tied North Coventry. The team played well on some occasions and badly on others. M. N. scored on Sharon Hill's first team and made the score close, but lack of reserves made the game a rout.

The lettermen were Guildford, Roberts, Snyder, J. Thomas, W. Thomas, Moyer, Rudolph, Peters, Prichard, Lutz, Goodyear, Knapp, and Nask. The men lost through graduation will be Moyer, Rudolph, Peters, Prichard, Gunther, Thomas, Scheid, Bradley, Goodyear, and Guildford.

Hockey - 1946

Our Hockey Team, I'm here to salute,
But I can't sing a song nor play a flute.
And as a poet I surely lack
That certain something—you may call it knack.
Nevertheless, I've chosen to use
That form of expression—what can I lose?

Our first day of practice, I'll always remember,
A very warm day early in September.
All of you were new to me then—
Your names, your faces, and even your men.
Center, Inner, Goalie, and Wing,
Each with a different story to bring.
Halfback and Fullback, I mustn't forget
And, oh yes, the manager was there with her fret.
There were quite a few to fill each position,
And the air was full of keen competition.
Choosing the right girls for the team
Was hard to do. Now, what I mean
Is that there were so many there,
I came quite close to having gray hair.

At first I had a doubt in mind,
As to whether or not in you I'd find
The things which make a real Hockey Team,
One which is really "on the beam."
But I soon found out that you had the stuff
To keep right on when the going got tough,
To play together with the zest to win,
Being loyal to M. N. through thick and thin.

Our practices were quite original,
The varied costumes were far from dismal.
We very often got started late,
Our busy lives—I guess that's Fate!

It was usually hot, cold, or damp,
As around the field you did pant.
The apples supplied from the nearby trees,
Most all of us, they did please,
We practiced 'til it got so dark,
Homeward bound we did start.
And then the nets they must come down!
Some helped with a smile—a few with a frown.

Lynn and O'Malley for the goal did fight;
Gerry and Louise kept the ball out of sight,
Joyce did well when she was on her feet,
To watch Lillian drive is really a treat.
Janice too, except for her sticks
And Stella displaying her skillful tricks.

Lois finally a goal did make,
It went right in, there's no mistake.
Betty and Marie shifted around,
First right then left, now up now down.
Bobby out in the alley would shout,
"Two sides to a field without a doubt!"
The ball when finally passed her way
A real hockey game she did play.
Ruth, way over on the other side
All of us could watch with pride,
Dribbling, passing, and shooting, too,
We're all exceptionally good, it's true.

Our first game was postponed because of rain.
The Battle with Radnor ended in a tie
Our game with Haverford started our fame
The season was quickly flying by,
Clifton's game put us in a rut
Our spirits fell, but we didn't give up.
A victory followed the very next week;
Ellis College was the team we did defeat.
Springfield caught us unaware;
We had the will, but the pep wasn't there.
The cold weather that day didn't help,
But our droopy drawers were warmly felt.

We finally rallied our spirits together
To play Nether-Providence in spite of the weather.
We had the will and we had the vim,
So our last game we did win.

But what I'm here to praise you for
Isn't the victories nor the score,
But rather the spirit with which you played
Our Hockey Team was really OKAY.

Orchestra

This year our orchestra, under the leadership of our new music instructor, Mrs. Kurtz, has increased in quantity and quality. There were a lot of new members, whose spirit and talent will carry the orchestra on for a good many years.

They have played at Media for the School Directors and for many of our own school activities.

Sophomore Class

The Sophomore Class, under the capable guidance of Miss Laird and Mr. Kachur, has been very active in many school activities.

Everyone is proud of Nina Butler's excellent work on the Campus Quiz. We also want to congratulate Joan Livingston, Teddy Muehlmatt, Nina Butler, and Dolores D'Onofrio, who were on the Debating Team, and those in the School Play.

A large number of Sophomore boys and girls participated on the various athletic teams.

No one will ever forget the Soph Hop held on March 14. It was a great success both in entertaining and in gaining funds for the class treasury.

All of us are looking eagerly toward our Junior Year.

Junior Class

We, of the Class of 1948, find our high school years nearing a glorious end. Under the able guidance of Miss Yeingst and Miss D'Amelio, we have spent many happy hours planning our various activities.

The annual magazine drive, which proved a "howling" success, added dollars to our gradually increasing treasury.

In the field of sports, we contributed more than our share of active participants.

Many are anxiously looking forward to the coming Junior Prom, which promises to be the crowning event of the year.

Everyone earnestly awaits his final year at Marple-Newtown with high hopes.

Glee Club

The Glee Club, under its capable new director, Mrs. Kurtz, accomplished quite a lot this year. At the same time the members enjoyed themselves immensely.

The presentation of the Christmas Candlelight Service was enjoyed and appreciated by everyone. Also the girls will contribute an important part in the Commencement and Baccalaureate exercises.

It was not all work and no play; the play was included in swimming and roller skating. Anyway, work and play, the girls have had lots of swell times together and are looking forward to more.

National Honor Society

The Marple-Newtown Chapter of the National Honor Society was formed in May, 1944.

The four qualities which students must have are Character, Scholarship, Leadership, and Service. The first requirement that each candidate must meet is a scholastic average of 85. Then the candidates are judged on the other three qualities mentioned above. Five per cent of the Junior class enrollment and fifteen per cent of the Senior Class are eligible for election each year. To date we have had twenty-seven students elected into membership.

Varsity and J. V. Basketball

M.N. had an unusual basketball season. After winning five out of the first six games, the team lost six out of the last eleven. The team was handicapped throughout the season with only one returning regular playing. Eddystone H.S. defeated M.N. in the Kiwanis by the score of 52-40. Bob Goodyear was high scorer for the Varsity while Ed. Feldkircher held the honors for the J.V. Robert Pittman returned to M.N. from the Army to coach the team to ten victories and eight losses. John Shaw and Bob Goodyear will be lost through graduation. Members of the Varsity were Bishop, Lutz, J. Thomas, Snelling, Rambo, Goodyear, Shaw, Nash, Knapp, Ballaron, and Harry Gorman. The J.V. squad consisted of Feldkircher, Young, Goodman, Hatton, Newby, Worrell, Capotosta, Fletcher, Shupard, Roberts, and Snyder.

Girls' Basketball

Even though a look at this year's score book might not be very encouraging, you need only to see the girls in action to realize that they are real basketball players. They were up with the sun for early morning practices and could be seen many an evening dragging their weary feet home after practice. Many of the games were close, and it was a fight to the finish for the actual decision, but it was not until the last two games of their eight-game schedule that the girls came through with victories.

Lois Troupe, captain of the team, came out on top by scoring 90 points for the Varsity. Bessie Loomis scored a total of 40 points for the Jayvee.

We wish to express our thanks to Coach Esther Cook for her patience with the girls and her help in making our basketball season a most enjoyable one and to wish her the best of luck with her future teams.

Junior High Basketball

Under the able handling of Mr. Richute, the Junior High five forged a victorious court season. Losing only two games out of seven played, gave them an excellent record. After dropping the first two tilts, they came back strongly and captured the remaining five. This record was due to the scoring effort of Arthur Miller, George Bortle, Robert Nolan, Walter Blair, Charles Schneider, Robert Comer, Thomas Fisher, Lloyd Shaver, John Parks, and Teddy Lamb. The high scorer for the season was Arthur Miller.

The second team was victorious in all their games except one. They showed victories over West Pottsgrove and Conshohocken.

The game results were as follows:

M. N.	15	Conshohocken	24	M. N.	24	Conshohocken	20
M. N.	31	Aldan	35	M. N.	32	Aldan	27
M. N.	28	West Pottsgrove	14	M. N.	34	Folcroft	15

Junior High Girls' Basketball

For the first time this year we've seen the overflowing spirit of the Junior High School girls put into action on the basketball court. Their schedule consisted of only four games which proved to be very interesting from the spectators' point of view and beneficial in training and experience for next year's junior varsity team. However, the success of the team can more accurately be measured by asking the girls how much they enjoyed playing on the team.

Class Will

We, the Class of 1947, being in sound mind and memory, make and publish our last will and testament this first day of June, in the year of our Lord, one thousand nine hundred and forty-seven.

In the following manner we dispose of our possessions:

To the faculty, we bequeath appreciation for a task well done.

To Burton Hartenstine, Harry Bennett wills his book report difficulties.

Stella Blosenski leaves her one-hand basketball shots to Lois Troupe and her nice clothes to Gloria Harvey.

Bill Bradley wills his art ability to Arnold Orazietti.

Marie Collins wills her typing troubles to Gladys Smith.

Mary Dulaney bequeaths her quiet efficiency to Virginia Worrell.

To Virginia Baskin, Dorothy Earle wills her code for A's.

Betty Fox leaves her cheerleading technique to Janet Kieme and Betty Helms.

Anna Garris wills her blonde hair to Louise Welsand.

Ruth Gettz leaves her basketball ability to Joan Mander.

Bob Goodyear wills his Star to Jim Knapp.

Marie Gorsuch leaves her knitting needles to Ruth Gartner.

Joan Gorsuch wills her dance steps to Marie Martino and Janet Flood.

Charlotte Graham wills her shorthand headaches to Betty Jane Friedrich and Theresa Hall.

Lillian Griffin leaves her wittiness to Gloria Civitella, and her quietness to Helen Reardon and Jean Dennin.

Johnny Guildford leaves the Shop in the hands of Howard Lees and Ralph Bailey.

Don Gunther wills his good looks to Lou Snelling.

Carol Hall leaves her love for dogs to Jean Collins.

To Margie Holloway, Lillian Ivins reluctantly leaves the men in the Home Ec Department.

Louise Lewis leaves her money troubles to anyone who wants them.

Lura MacLaren wills her petiteness to Eleanor Guildford.

Dick Mangold leaves P.O.D. classes to Fred Wendig.

Lynn Mason wills the Chez Vous to Ann Price.

Ralph Moyer and Jack Steer leave Mr. Baldelli to Bob Nash and Bill Thomas.

Betty Noll leaves her paints and brushes to Howard Rainey.

Donald O'Brien wills his way with the baseball to "Max" Bishop.

To Harold Taylor, William Peters leaves his Varga calendar.

Barbara Philson wills her LaCrosse stick to Esther Murphy and Joyce Steer.

Bill Prichard leaves his fire helmet to Frank Ballaron.

Frank Ramrath leaves his height to Mary Brandhof.

Janice Ramsay wills her sunny disposition to Barbara Peters.

Kitty Reardon leaves her pleasant smile to Gerry Shaver.

Herb Rudolph wills his car troubles to Howard Schofield.

To Donald Tarleton, Charles Scheid leaves his way with the women.

Johnny Shaw bequeaths his "brains" to Harry Gorman.

Andy Smith leaves his debits and credits to "Ritty" Thomas.

Jack Thomas wills his loud neckties to Bill Pennock.

Alberta Wilson leaves her willingness to help to Jane Thompson and Donna Frazer.

Mella Wood wills her silence to John Lutz and Donald McKee.

To Gordon Thomas, Leon Worrell leaves his curly hair.

And we all want to leave, period!

Signed, published, and declared by the above named as their last will and testament. Witnessed by Miss Helen E. Yeingst and Mr. Harry R. Harvey.

Planning Your School Annual . . . .

Your school annual will be just as good as the effort you put into it and the time you use in watching the details.

Our sixty-six years experience in layouts and production of some of the highest award books in Eastern Pennsylvania has won for us an enviable place in this specialized field of work and we keep striving each year to improve our service and produce better books.

It has been a pleasure to have had the privilege of servicing and printing this annual.
